Our Family Ministry works because all members take an active role in the programs and activities. Parents and other interested adults are expected to share their leadership, gifts and abilities in collaboration with Center Staff. (For example, the Family Ministry Team is made up of parents whose children participate in Family Ministry programs and activities.) Please take a few minutes to list the unique talents and skills you can contribute to our efforts.

Can you offer your time and talent in any of the following ways:

- Religious Ed Teacher? Substitute Teacher?
 1st Communion Coordinator? Family Activities Coordinator?

Other contributions I/we can offer to the Family Ministry at the Paulist Center:
