Our Family Religious Education Program works because all members take an active role in the programs and activities. Parents and other interested adults are expected to share their leadership, gifts, and abilities in collaboration with Center Staff. (For example, the Center partners with parents who have the desire to nurture the spiritual and religious potential of children and so provide weekly catechesis to children in Grades 1-6.) Please take a few minutes to list the unique talents and skills you can contribute to our efforts. Thank you.

Can you offer your time and talent in any of the following ways:

_____ Religious Ed Teacher?

_____ Substitute Teacher?

_____ 1st Communion Coordinator?

_____ Family Activities Coordinator?
