Pastoral Council Candidate Statement

The Paulist Center is a special community, and I am grateful to be part of it. Many know me through my involvement with the Wednesday Night Supper Club and the Pastoral Planning process. I am seeking another term on the Pastoral Council because this is an exciting and important time in the Center's history. As we begin a new chapter with our first lay Executive Director, I would welcome the opportunity to continue contributing to the community's growth and future direction.

My professional background in operations and logistics allows me to bring a practical and collaborative perspective to the Council's work. The Center has given me so much, and serving on the Council is one way I can give back while helping strengthen our vibrant Catholic community.
