Part-Time Pastoral Minister for Young Adults

Overview

The Paulist Center is an intentional community in the Roman Catholic tradition. We are an inclusive community dedicated to vibrant worship and social justice ministry. We value full and active participation of all in the worship community and its ministries. Members of the community travel to our downtown location from towns and cities across Massachusetts and New Hampshire.

The Young Adult community (21-39 years old) strives to be welcoming to all at the Paulist Center. This group seeks to live out its faith through community, service, and spirituality, offering a number of social, service-oriented, and faith-building events, including: monthly dinners after the Sunday 6pm Mass; happy hours in neighborhoods throughout Boston; small-group and discussion panels on faith and spirituality.

The Young Adult Minister is supervised by the Executive Director and collaborates with the Director of Outreach & Evangelization, as the Paulist Center focuses on relationship-building with a new generation of young adults. The Young Adult Minister will take the lead in designing and implementing a ministry plan, working with the pastoral team.
